

Many ways to partner with Jordan Hospital...

Jordan Hospital deeply values its partnership with its business community. There are many charitable causes worthy of your consideration and we sincerely thank you for counting Jordan among them. You may make your company's tax-deductible contribution in cash or with securities, pledged over time or paid outright, in-kind, via a sponsorship, or through a host of other personalized and creative ways, as outlined here.

As a valued business partner you will receive invitations to Hospital events and our e-newsletter three times per year, featuring news about programs, services and other hospital developments. Each level of giving, beginning with an annual gift of \$250, affords benefits and special recognition for your company. *Please refer to the enclosed outline of giving levels and benefits.*

Our package is designed to offer you an overview of the wide-ranging opportunities to support Jordan Hospital and Cranberry Hospice & Palliative Care and the convenience of customizing your contribution in a way that best meets your charitable objective.

You may want to consider...

Sponsoring a Fundraising Event

Hosting a fundraiser with proceeds to benefit Jordan Hospital or Cranberry Hospice & Palliative Care is a way to invite the support of your employees and the community-at-large. Events range from golf and other sport tournaments to dress-down days and website campaigns. We'll help you brainstorm ideas that are a good fit for your company and employees and we'll also help you promote and manage your event.

Creating a Cause-Related Marketing Campaign

If you are interested in linking your company's sales to philanthropy, you might donate a portion of the sales of your goods or services to Jordan Hospital or Cranberry Hospice & Palliative Care, and at the same time, build loyalty among your customers. You may choose a designated period of time for your campaign, or make a gift that keeps on giving with an ongoing campaign.

Contributing Goods or Services

Your in-kind contribution of products or services may be a welcome way for your business to contribute with the added benefit of promoting your business line. We'll collaborate with you to explore ideas and opportunities that make mutual sense for your company and the Hospital.

Hosting a Workforce Campaign

An employee giving campaign to support Jordan Hospital or Cranberry Hospice & Palliative Care provides the opportunity to engage your employees in philanthropy in a way that directly benefits them and their families. We can help you shape your program to meet your specific needs. At your invitation, we'll speak to your employees about the Hospital and its services and programs, and share the impact their donations have on the health of our community. You may structure the program however it works best for you with payroll deduction, an annual drive, or a corporate matching program.
